

# Girl Scout Brownies

Do you love animals?  
Are you ready to spend some time around them?

The American Academy of Equestrian Sciences is proud to offer the following Brownies Badge work.

## ANIMALS BADGE

- ◆ **CARING FOR PETS**—Learn how to care for horses, dogs, and cats, and what responsibilities we have in keeping our pets safe. Learn how to take care of an animal by feeding it, giving it fresh water, brushing it, and cleaning where it lives.
- ◆ **LEARN ABOUT ANIMAL SAFETY**—Animals are pretty, especially the really big ones. But animals cannot think like you can, and sometimes they do not recognize how strong they are. They can hurt you without meaning to, so learning how to stay safe around all animals is very important.
- ◆ **LEARN ABOUT HORSES** - Learn the correct names of the horse's unique anatomy, and how this enables them to do the many jobs humans ask of them. Learn about how horse's move and how it is different from how you move.

The badge will require approximately one hour to complete. Hard soled, closed-toed shoes are required and long pants recommended.

Prerequisites: none

Preferred minimum number of participants: 10 scouts

Cost: \$15/scout

Location: 3 miles south of Leesburg, Virginia, on Rte. 15 (James Monroe Hwy)
